Honorable Jack Brooks, Chairman  
Committee on Government Operations  
House of Representatives  
Washington, D.C. 20515

Dear Mr. Chairman:

Thank you for your letter to the Director inviting comments on H.R. 9701, a bill which would require a financial audit of pension plans for officers and employees of the Federal Government. Since the Central Intelligence Agency is specifically, and in our view appropriately, exempted from the provisions of the bill, we defer to the views of those agencies more directly affected.

The Office of Management and Budget has advised there is no objection to the submission of this report from the standpoint of the Administration's program.

Sincerely,

/s/ Frank C. Carlucci
